

Addendum

Addendum 2024

This is a list of all new, modified, or discontinued programs approved by the Northwest Commission on Colleges and Universities (NWCCU) from April 02, 2024, through June 30, 2024, which were not listed when the catalog went into effect. Please note that only programs approved by the NWCCU before July 01, 2024, will be added to the Addendum.

- Military Science Minor
- Introductory Machine Learning Certificate
- Machine Learning in Biology and Medicine Certificate
