

Campus Computing Labs

Location:

Holland Centennial Commons

The Holland Centennial Commons contains over a hundred computer work stations with a lab assistant available during most hours of operation. Student lab computers are available on the 1st, 2nd, 2M (Mezzanine), and 3rd floor. Students can log-in to computers using their Digital ID accounts (same ID and PIN as student email).

For current hours, visit the library website (<https://library.utahtech.edu/info/hours.html>). Hours can vary during Summer Semester, between semesters, during Finals week, and on Holidays.
