MISSION STATEMENT

Event Services supports the University's Mission by producing quality-centralized academia and event scheduling, guest services, event production and ticketing services. We will accomplish our mission by using our resources effectively and efficiently, completed in a secure and safe manner.

Our Values: Service, Collaboration, Integrity, Professionalism and Safety

SERVICES

- **Event Production-** Event Production is housed in the Cox Performing Arts Center. Provides professional production services for events and activities to increase artistic and educational excellence within the campus community. An array of services is offered, including production design and installation, A/V, media, entertainment technology, staffing, venue and event management.
- **Guest Services-** Guest Services provides opportunities and convenient services for the campus community and fulfills the Gardner Center charge. Venues are scheduled through Central Scheduling, and a wide range of services are offered for educational, cultural, and recreational activities.
- **Ticket Office-** The Ticket Office provides centralized ticketing sales, distribution and management for events, performances, activities, athletics, and community functions. This is accomplished through competitive pricing and efficient and convenient ticket services.
- **Venues-** Visit our page (<https://utahtech.edu/event-services-risk-management/>) for more information on venues, spaces and services.
