Utah Tech University offers on-campus housing facilities to accommodate both single students and students with families. To be eligible for on-campus Student Housing, students must be enrolled in at least nine (9) credit hours. Applications can be found **online** (<https://starrez.utahtech.edu/StarRezPortalX/2124B824/1/1/Home-Home/>) (following this link will take you out of the University Catalog).

Single Student Housing at Utah Tech University provides apartment-style and dormitory living units. Single Student Housing facilities are close to most classes, have live-in student staff members, and are patrolled by Campus Police Officers. Student staff members serve residents as referral agents to Campus resources, mediators in resolving conflicts, and mentors as they build rapport with residents and facilitate an array of social and educational programs. The Housing and Resident Life Office endeavors to provide a safe, fun, and educational environment conducive to student success.

Family Student Housing at Utah Tech University is available to married couples (with or without children) and single parents with children. Campus Police Officers monitor the Family Student Housing areas, and a Resident Manager works closely with residents to address facility issues and other concerns germane to family community living. Residents of Family Student Housing enjoy a safe and clean family living environment.
