Support Specialist:	Sarah Strickley
Location:	112 South 700 West, Hurricane
Phone:	(435) 652-7910
Website:	http://hurricane.utahtech.edu

Our campus in Hurricane, UT, allows individuals in Southern Utah easier access to complete their higher education goals.

Offering certification programs such as Peace Officer Standards and Training and Certified Nursing Assistant, the center makes it possible for students to complete entire programs without leaving Hurricane Valley. Utah Tech University general education courses in fine arts, physical and life sciences, math, history, and political science are also available at the Hurricane Education Center.

Located within walking distance from Hurricane High School, the center also offers concurrent enrollment options for high school students, helping students save time and money by offering courses that fulfill high school and college general requirements.

Testing Services

The Utah Tech Hurricane Education Center, Testing Center is for any Utah Tech student wanting to take an exam for one of their classes and professionals to take various paid certification exams, placement tests, and exams for other universities. Part of the mission of Testing Services is to provide a testing location and atmosphere that is secure, comfortable, and stress-minimizing.
