

# Criminal Justice, AS

---

## Program Description

Utah Tech's criminal justice major is an interdisciplinary program that combines the study of criminal law, law enforcement, and criminology, providing a firm foundation for a myriad of careers. This course of study exposes students to the interconnected nature of the criminal justice system and explores criminological explanations for crime commission. Graduates from this program are prepared to enter applied positions in the criminal justice system or pursue graduate degrees in law, criminology, sociology, forensics psychology, etc. The associate's degree in criminal justice as Utah Tech prepares students to continue their education in other criminal justice programs at various USHE institutions or at Utah Tech. This program emphasizes criminal law, criminal investigation, and the functioning of the criminal justice system.

## Program Curriculum

**60 credits**

### Utah Tech General Education Requirements

All Utah Tech General Education requirements must be fulfilled. A previously earned degree may fulfill those requirements, but courses must be equivalent to Utah Tech's minimum General Education standards in American Institutions, English, and Mathematics.
