BS Digital Media Program Learning Outcomes

At the successful conclusion of this program, students will be able to:

- 1. Explain mediated communication theories from various traditions and apply those theories to media production, management and consumption.
- 2. Apply sound reasoning, global and cross-cultural perspectives, critical thinking, ethics, and problem-solving skills to critically evaluate media production, promotion and consumption.
- 3. Use professional research to evaluate the efficacy of mediated messages, integrating media analytics and metrics into qualitative and quantitative approaches.
