GENERAL EDUCATION FOREIGN LANGUAGE REQUIREMENT

(for Associate of Arts and Bachelor of Arts only)

Foreign Language Placement

- Students may not enroll in a language course if that language was the primary language of instruction for the student at the high school level (as determined by the chair of the Humanities Department).
- Placement in all foreign language classes is at the discretion of the Department Chair. Students whose abilities and experience in a language are above the course level may be placed in a higher level class and may earn "vertical credit" for lower level courses.

DEFINITIONS

FLATS: Based on score of BYU Foreign Language Assessment Test (available at Utah Tech). Maximum 12 credits, cannot duplicate already earned credit, posting fee required,

Nonnative Speaker: For the purposes of earning credit in Utah Tech foreign language classes and/or fulfilling any Utah Tech foreign language requirement, a native speaker's primary language of instruction at the high school level (as determined by the chair of the Humanities Department) is his/her native language.

ESL Test Scores: Test scores required for unconditional Utah Tech admission in 2013-2014: TOEFL 61 iBT, 173 CBT, or 500 PBT; or 70 Michigan; or equivalent USU-IELI test score.

- Receiving a grade of C or higher in a foreign language 2010 course enables a student to request "vertical credit" for the 1010 and 1020 courses in the same language (8 additional credits graded "P")
