Integrated Studies - Individualized Studies Emphasis, BA/BS

At the successful completion of this program, students will be able to:

- 1. Formulate real-world problems and issues by integrating theories, methods, content, and perspectives from multiple disciplines.
- 2. Assemble research in the academic and professional literature related to various discipline-specific fields.
- 3. Author cogent, organized, articulate, research-based written and oral communication.
- 4. Integrate theories, methods, content and perspectives from multiple disciplines to produce an original, research-based artifact, performance, event, or paper.
- 5. Synthesize diverse sociocultural and academic perspectives.
