

# Hotel and Resort Management, BS

## Program Description

Students will engage in learning multiple facets of the Hospitality Management Industry including team building, guest experiences, technology applications, critical and analytical thinking, ethics, and leadership. Coursework that emphasizes qualitative and quantitative analysis, marketing, and human resources ensures students will graduate career-ready. Students will have the opportunity for practical experience in the hospitality field through earning various work and COOP credits with placements with our partners in local hotel and resort locations as they proceed through the program. Graduates of this program will be highly qualified for middle management positions with upward mobility in the hospitality industry.
