## RN-BSN, Bachelor of Science in Nursing (BS)

## **BS Nursing Program Learning Outcomes**

At the successful conclusion of this program, students will be able to:

- 1. Person-Centered Care: Distinguish an individual's diverse history to facilitate holistic quality care.
- 2. Clinical Judgment: Demonstrate best practice to delivering care.
- 3. Communication: Plan therapeutic interactions with patients and inter-professional team members.
- 4. Compassionate Care: Facilitate caring interactions while acknowledging vulnerabilities.
- 5. Professionalism: Practice a sustainable nursing identity reflecting nursing's characteristics and values.
